

# **GRADUATION 2025**

# TIME FOR THE NEXT STEP

For more than 50 years, La Trobe University has prepared students like you for thriving careers.

From our industry partnerships to our esteemed academics and world-class researchers, we've built an international reputation for quality education.

We're proud that our graduates are prepared to step into an evolving workforce. As of today, that includes you.

While you've studied with us, you've developed the knowledge to pursue your dream job and gained the skills to forge a rewarding career.

**You've learned from experts.  
Now become one.**

# ORDER OF PROCEEDINGS

## SINGAPORE THURSDAY 13 NOVEMBER 2025

---

A video presentation will be played prior to the commencement of the ceremony.

The audience will be asked to stand as the academic procession enters the venue.

The National Anthems of Australia and Singapore will be played.

The opening address will be delivered by The Hon. John Brumby AO, Chancellor, La Trobe University.

Occasional Address will be delivered. Awards will be conferred and the graduates will be presented.

Graduate representatives will deliver addresses on behalf of all graduates.

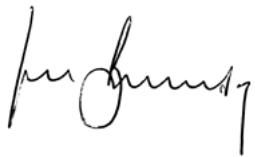

The closing address will be delivered by Professor Robert Pike, Provost, La Trobe University.

The audience will exit the theatre for the post-ceremony celebration, while the academic procession and graduates remain for a cohort photo before joining their guests.

# A MESSAGE FROM THE CHANCELLOR

**CONGRATULATIONS ON  
COMPLETING YOUR STUDIES,  
AND WELCOME TO OUR DIVERSE,  
DYNAMIC AND INNOVATIVE  
ALUMNI COMMUNITY.**

As a graduate of La Trobe, you now have access to a range of exclusive alumni benefits to assist you in preparation for your chosen career – including events, news and continued professional development opportunities. Wherever life leads you, I encourage you to stay connected to La Trobe, and I wish you a rewarding and successful personal and professional life.

**The Honourable John Brumby AO**  
Chancellor

# A MESSAGE FROM THE VICE-CHANCELLOR

**I AM DELIGHTED TO WELCOME YOU TO THIS GRADUATION CEREMONY. WARMEST CONGRATULATIONS TO ALL THOSE RECEIVING DEGREES TODAY.**

Graduations are an important occasion for the University, providing us with an opportunity to recognise your success, and to celebrate your attainment of knowledge – your most important possession, and the essential foundation for the next stage of your life.

Every university has a distinctive character and traditions, and one of La Trobe's defining features is the way our graduates show strong engagement with the world. This has been the case for more than 55 years and remains so today.

You are joining La Trobe's community of 260,000 alumni in 140 countries who are working in their chosen fields to make the world a better place. As graduates in nursing, science, and biotechnology programs, you will play an important role in your careers by supporting community health and wellbeing.

Thank you for being part of the La Trobe community, and for the contributions you have made to the University through your study and your participation in campus life. You are now lifelong members of La Trobe University. I encourage you to connect with other graduates around the world and stay involved with La Trobe.

Do not see this celebration as the endpoint of your education, for learning is a lifelong process. Your skills and knowledge must be regularly updated, and new technologies mastered. Should you need to extend or upgrade your knowledge and skills, La Trobe University will always welcome you back.

In the meantime, congratulations once again from all of us at La Trobe University. All the very best for your future endeavours.

# A MESSAGE FROM THE DEPUTY VICE-CHANCELLOR (FUTURE GROWTH)

**IT IS A PLEASURE TO WARMLY CONGRATULATE STUDENTS FROM PSB ACADEMY AND THE SINGAPORE NURSES ASSOCIATION – LA TROBE UNIVERSITY'S JOINT PROGRAMS – AS YOU RECEIVE YOUR DEGREES AND DIPLOMAS. I AM DELIGHTED TO WELCOME YOU AS ALUMNI OF LA TROBE UNIVERSITY.**

La Trobe is a University founded to deliver both excellence and access. Our excellence is recognised in our ranking as one of the world's leading universities, and in the rating of our research. Our commitment to access led us to be one of the first Australian universities to deliver our programs not just in Singapore but in China, Vietnam, Malaysia, Indonesia, Hong Kong, France and Mauritius. We are committed to our international partnerships and engagement activity. Both the PSB Academy and Singapore Nurses Association are amongst our oldest partners, and we are thrilled to be here with our colleagues, students, alumni and friends in Singapore once again.

As you embark on the next chapter of your life, stay connected to your university. Visit the La Trobe campuses when you come to Australia, and look out for our alumni, students and partners around the world. We are proud to be your university, and we look forward to hearing about and celebrating your successes.

Many congratulations again,

**Dr Stacey Farraway**  
Deputy Vice-Chancellor and  
Vice President (Future Growth)  
La Trobe University

# A MESSAGE FROM THE DIRECTOR OF SCHOOL, SCHOOL OF HEALTH AND LIFE SCIENCES AND DEAN, PSB ACADEMY

## HEARTIEST CONGRATULATIONS TO THE CLASS OF 2025 ON REACHING A NEW MILESTONE!

Today is not just a proud moment for you, but also for your families and friends who have been there for you throughout this journey. Your certificate is a testament of your hard work, dedication, resilience and growth. It has been a pleasure for me, and the faculty, to have been a part of your transformation.

This year's graduation ceremony holds special significance as we celebrate two major milestones: the 10th anniversary of our valued partnership with La Trobe University, and the graduation of our inaugural cohort from the Bachelor of Business programme.

For the past decade, PSB Academy and La Trobe University have shared a steadfast commitment to a common goal: delivering world-class education that empowers students with the skills, knowledge, and confidence to drive meaningful change in their fields and shape the future of industries. And we've seen the results, our graduates have gone on to make their mark across diverse sectors, turning aspirations into achievements. Today, you join this proud legacy, and I am genuinely excited to witness the contributions you will make in the years ahead.

Each of you plays a critical role in shaping Singapore's future. Whether it's enhancing patient care, driving innovation or contributing to new discoveries in emerging sectors, your work will be vital to building a healthier

and more sustainable nation. As healthcare professionals, scientists and business professionals, your impact will be felt across industries and generations, touching countless lives as Singapore navigates the challenges and opportunities of an ageing population.

Even as one chapter ends and a new one unfolds, your learning does not stop here. To stay ahead and thrive in a constantly changing world, you'll need to be agile, adaptable and be committed to lifelong learning. I am confident that with the knowledge and skills you have gained, and the values instilled in you during your time here, you are ready to take on the challenges and opportunities that lie ahead.

Once again, congratulations, Class of 2025! I am excited to see all the great things that you will achieve.

# CEREMONIAL TRADITION

## ACADEMIC REGALIA

Universities are heirs to traditions going back eight centuries. The colourful robes worn by today's graduands originate from the everyday dress of scholars and teachers in the Middle Ages. The traditions and colours can vary between institutions, which is why you may notice some differences in style among the academic procession.

For universities in the English-speaking world, there are normally three separate garments – the gown, the hood, and the cap. Bachelor's and Master's wear the hard cap known as the trencher, or mortarboard. Doctors wear a soft velvet cap with a tassel of the colour appropriate to their discipline.

## INDIGENOUS GRADUANDS

Graduands of Indigenous descent may choose to wear a stole in addition to their academic regalia.

ABORIGINAL

TORRES STRAIT

## THE MACE

The mace was originally a symbol of protection – a metal club used to protect the Chancellor. It is now symbolic of the Chancellor's authority.

La Trobe University's mace was designed and created in London, by Australian silversmith Stuart Devlin, who also designed Australia's decimal currency. The mace was gifted to La Trobe in 1969, just prior to the first graduation ceremony.

## ARMORIAL BEARINGS AND MOTTO

**LA TROBE UNIVERSITY**  
**AUSTRALIA**

La Trobe University's armorial bearings include national and state emblems, images of scholarship and references to the La Trobe family, after whom the university is named.

Australia is signified by the wedge-tailed eagle, one of the world's largest eagles. Victoria is represented by the sprigs of heath, the state's floral emblem.

The open book references the University's commitment to learning.

The scallop shells, adopted from the original La Trobe family crest, symbolise pilgrimages. Our motto, 'Qui cherche trouve', is a modern French version of the original La Trobe family motto meaning 'Whoever seeks shall find'.

La Trobe University is named after Charles Joseph La Trobe, first Superintendent of the Port Phillip District from 1839–1850, and first Lieutenant-Governor of the new colony of Victoria from 1851–1854.

# ACKNOWLEDGEMENT OF COUNTRY

La Trobe University acknowledges that our campuses are located on the lands of many Traditional Custodians in Victoria and New South Wales. We recognise their ongoing connection to the land and value their unique contribution to the University and wider Australian society.

La Trobe University is committed to providing opportunities for Aboriginal and Torres Strait Islander people, both as individuals and communities, through teaching and learning, research and community partnerships across all our campuses.

The wedge-tailed eagle (*Aquila audax*) is one of the world's largest, and the Wurundjeri people – Traditional Owners of the land where our Melbourne campuses are located – know the wedge-tailed eagle as Bunjil, the creator spirit of the Kulin Nations.

There is a special synergy between Bunjil and the La Trobe University logo of an eagle. The symbolism and significance for both La Trobe and for Aboriginal people challenges us all to gamagoen yarrbat – to soar.
