

Directions and Car Parking Information

You can get **FREE** parking when you come for a session at La Trobe Communication Clinic.

Step 1: Provide your Car Registration

Give the registration number of the car you will be driving to our staff so that they can get you a permit. You must tell us your registration number **BEFORE** you come for your appointment.

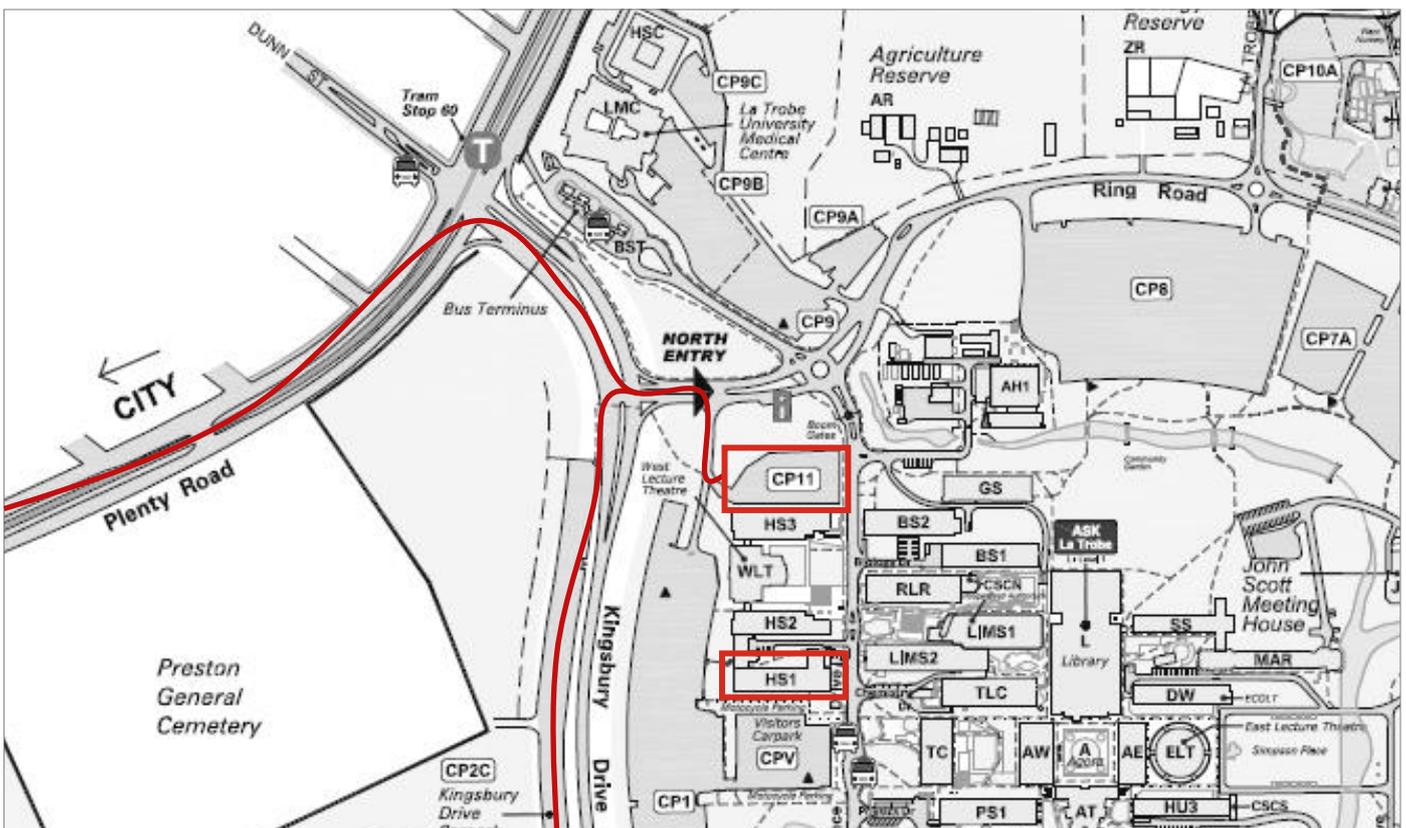

You will only need to give us this information once – unless you are using a different car.

You will get a parking fine if you don't tell us your car registration

Step 2: Park your vehicle in Car Park 11

Please **only park in Car Park 11** when you have a clinic appointment or you may get a fine.
