

Congratulations on choosing La Trobe! Follow these easy steps to get started. **Need help?** We're here to assist.

1. Reset your password

You will be emailed a temporary password (to the email address associated with your application). You need to change this and choose your own password.

Use the Password Reset Tool: now.latrobe.edu.au/PasswordReset

Are you at "Acceptance Complete" in StudyLink? If not, please contact your Admissions Officer or Agent.

Still need help? Contact Student IT Support. now.latrobe.edu.au/ContactSITS

2. Edit your student profile

Using your new password go to the students section of the website latrobe.edu.au/students and update your digital La Trobe student profile on StudentOnLine bit.ly/StudentOnLine. Complete the tabs including your home country address and phone number, your parents highest education, and your next of kin emergency contact details.

3. Enrol into subjects

In **StudentOnLine** you'll need to enrol into your subjects. Please note that a Semester is 4 subjects and a Term is 2 subjects.

Find out about your subjects (core and elective) from the University Handbook: handbook.latrobe.edu.au

Visit our enrolment site for more information: now.latrobe.edu.au/InternationalEnrol

4. Create your study timetable

After enrolment use Allocate+ to create your personal study timetable: latrobe.edu.au/students

5. Attend online Orientation

Our Orientation program is designed to support you to be prepared for success in your first semester at La Trobe.

During Orientation you'll engage in a range of sessions and activities created for students like you. Orientation at La Trobe is an exciting time with a variety of live and On Demand sessions, as well as a self-paced Online Orientation Program in LMS.

Visit the Orientation website for the full program: latrobe.edu.au/orientation
