

Psychological Science Semester Exchange

Single Degree Students

Single degree students are encouraged to study at a partner university that has both PSY2DEV Developmental Psychology and PSY2SOC Social Psychology matched, as these subjects are pre-requisites for La Trobe third year subjects. You can then choose two elective subjects that will make up your full time study load while on exchange.

Partner universities for single degree students are located in Canada and the USA. All are listed overleaf.

However, if you are willing to extend your degree this will allow flexibility in your study plan to choose a different partner university.

Double Degree Students

Double degree students have more flexibility to rearrange subjects in your study plan while still ensuring pre-requisites are met for subjects in subsequent years. You also have the option of selecting subjects from either degree to make up your full time study load while on exchange.

Partner universities for double degree students who wish to study PSY2DEV Developmental Psychology and/or PSY2SOC Social Psychology while on exchange are located in Canada, USA, Sweden, The Netherlands and the UK. All are listed overleaf.

Semester Exchange

Semester exchange allows you to travel overseas and study subjects for your LTU degree at the same time, for either one or two semesters at one of our 120+ partnered universities.

You will exchange places with one of their students, continue to pay your LTU fees and get credits back into your LTU degree.

Check out eligibility criteria and the application process at: latrobe.edu.au/students/opportunities/exchange/how-exchange-works

Program Funding

To help cover program costs you will be eligible for one or more LTU mobility grants or scholarships. In addition, you may be able to apply for continued Centrelink payments and the Government's interest-free OS-HELP Loan of **up to \$8,444**.

View all grants, scholarships and funding at: latrobe.edu.au/students/opportunities/exchange/program-funding-and-costs

Overseas Short Program

If a Semester Exchange doesn't fit within your study plan, consider an Overseas Short Program for the subject SHE3ISP or choose an academic program as an elective during your summer or winter break.

For more details on short program options visit: latrobe.edu.au/students/opportunities/exchange/short-programs

Exchange Partners for Psychological Science

Single Degree

The below partners offer 2 equivalent subjects to the required 2 La Trobe core subjects during Semester 2 of second year:

Canada

- University of Calgary, Calgary

United States of America

- Appalachian State University, Boone*
- Louisiana State University, Baton Rouge
- State University of New York (SUNY), Oswego
- University of Oregon, Eugene
- University of Wisconsin, La Crosse
- Washington State University, Pullman

Disclaimer: Exchange Partners and Funding subject to change without notice

Legend

* Universities eligible for Strategic Mobility Scholarship & Bring a Friend Grant

Double Degree

The below partners offer 1 or 2 equivalent subjects to the 2 La Trobe core subjects during second year:

Canada

- University of Calgary, Calgary
- University of Guelph, Guelph

United States of America

- Appalachian State University, Boone*
- Louisiana State University, Baton Rouge
- North Central College, Chicago
- State University of New York, Oswego
- Texas Tech University, Lubbock
- The College of New Jersey, Trenton
- University of North Carolina, Charlotte*
- University of Oregon, Eugene
- University of Wisconsin, La Crosse
- Washington State University, Pullman

Sweden

- Umeå University, Umeå*

The Netherlands

- Tilburg University, Tilburg

United Kingdom

- University of Essex, England*
- University of Stirling, Scotland

"Tips of the trade: Have fun!"

Studying is extremely important but you also want to make sure your not missing out as exchange is an experience rather than just going to school. I'd personally recommend buying a student pass to all the home games to college football and you can get involved in the whole tailgate/ gameday culture."

Matthew Strebinos

Bachelor of Psychology (Honours)

Exchange Partners Equivalent Subjects

This table names the partner university equivalent subjects that have been pre-approved by the College of SHE. Find more details on each subject or other subjects offered by each partner by searching for the partner page at latrobe.edu.au/students/opportunities/exchange/partners

Exchange Partner	PSY2DEV Developmental Psychology	PSY2SOC Social Psychology
