

Terms and Conditions for La Trobe University Global Markets Accelerator Program – Round 2 – March 2021

Eligibility

1. To be eligible for a place on the La Trobe Global Markets Accelerator Round 2 applicants must:
 - a) continue with the City of Melbourne Open Innovation Competition.
 - b) be one of the three top submissions of the City of Melbourne Open Innovation Competition
 - c) complete the GMAP Application Form.
 - c) meet the additional requirements and selection criteria as specified below; and
 - d) comply with these Terms.

La Trobe Global Markets Accelerator Requirements for City of Melbourne Open Innovation Competition Participants.

Only the three top submissions of the City of Melbourne Open Innovation Competition will be accepted into GMAP. Other applicants may apply separately through La Trobe's separate GMAP rounds.

La Trobe staff and student applicants who are also one of the one of the three City of Melbourne Innovation Competition winners must first obtain approval from their manager or relevant Head of Schools prior to participating in GMAP.

Application

2. By submitting your application, you warrant that:
 - a. all details provided with their application are true and accurate
 - b. you have the right to submit this application and have obtained any necessary consent from any person referenced or appearing in the application; and
 - c. the application, and La Trobe's use of the application or conduct of the Accelerator, will not:
 - infringe any person's copyright or other intellectual property rights.
 - infringe any person's privacy rights or any applicable privacy laws; or
 - breach any other laws.
3. Each applicant grants to La Trobe (and any person authorised by La Trobe) a non-exclusive royalty-free licence to use any information contained in their application for the purposes of selection and administration of GMAP.

Selection

4. La Trobe will assess applications individually, in its absolute discretion, taking into account the criteria advertised on the GMAP website, and any decision of La Trobe regarding selection is final.
5. La Trobe will notify you using the details in your application and reserves the right to verify the identity of any applicant. La Trobe reserves the right to reject any applicant notwithstanding notification of selection, including (but not limited to) any applicant who
