Role / Terms of reference

Purpose

The Risk, Safety and Governance Committee has been established to assist Council effectively discharging its responsibilities relating to:

- Governance of Risk, Audit and Safety

Terms of Reference

Governance

1. Ensure appropriate corporate governance protocols are developed. Ensure that these protocols meet the highest ethical and professional standards and continually monitor compliance.

Compliance

2. Monitor and review compliance with significant legislation and regulation relevant to the University's operations.
3. Review management reports on compliance breaches. Ensure that significant breaches are investigated and that agreed corrective actions and improvements are implemented.

Audit

4. Review the University's Internal audit procedures scope of audits, level of audit resources and approve the University's annual internal audit plan.
5. Review internal audit reports and management responses to internal audit findings. Ensure management has completed all agreed actions in agreed timeframes.
6. Ensure the legal, risk management and statutory requirements of La Trobe University are met.
7. Ensure appropriate review of the findings of investigations into alleged significant misconduct, including fraud and corruption, and ensure that appropriate action is taken.

Risk Management

8. Ensure that the University has an appropriate risk management framework and internal controls, including but not limited to:
 - Assessing and recommending to Council a risk profile which describes the material risks facing the University (including financial and non-financial matters) and the mitigating factors. Periodically review the profile and the residual level of risk.
 - Assess internal processes for determining and managing key risk areas and related internal compliance and control systems such as:
 - * Non-compliance with laws, regulations, standards and best practice guidelines (e.g environmental, occupational health and safety and industrial relations laws).
 - * Important judgements, litigation and claims.
 - * Fraud and theft.
 - * Quality and standards as they relate to third party teaching arrangements.
 - * Relevant business risks not dealt with by other Council committees.
9. Review the annual consolidated risk profile prepared by the Risk Management Unit.
10. Ensure that management:
 - Implements recommended changes to risk management practices and policies;
 - Makes significant adjustment resulting from risk and insurance reviews and other audits;
 - Conducts an appropriate annual review of the insurance program.

Occupational Health & Safety

11. Review the University's health and safety systems, policies and procedures.
12. Monitor compliance with applicable occupational health and safety legislation, regulation and the University's health and safety policies and procedures.
13. Review management reports on significant incidents and overall incident trends and consequent actions to reduce the risk.
14. Review actions taken by management that will affect the health and safety of staff, students, contractors, and visitors.

Committee Administration

1. The Committee shall meet at least four times a year and at other times deemed to be necessary. Meetings may be held via teleconference.
2. There shall be an agenda and minutes for all meetings and the Secretary (who shall not be a Committee member) shall record the proceedings of the meeting.
3. The Committee shall have "in-camera" meeting(s) as deemed appropriate by the Chair.
4. The Committee shall review its own performance regularly.
5. The Terms of Reference for the committee shall be reviewed by the Committee on an annual basis. Amendments shall be recommended to Council for approval.
6. The Committee will report on its responsibilities and activities through its Chair to the Council.
