

Comprehensive Health Assessment of the Older Person (CHAOP)

The Australian Centre for Evidence Based Aged Care (ACEBAC) offers a three-day workshop program for nurses who work with older people.

La Trobe University is hosting at a Campus near you!

We invite nurses in:

- residential aged care
- acute and sub-acute hospitals
- the community
- GP practice.

Attend the workshop and:

- update your knowledge and clinical assessment skills with comprehensive health assessment education and training
- have fun with the ACEBAC team and their geridolls
- increase your confidence and job satisfaction
- add to your hours of continuing professional education.

This workshop comprises the following eight modules:

1. Clinical reasoning and general assessment skills
2. Communication of assessment – professional issues
3. Musculoskeletal assessment
4. Nutrition, metabolism and elimination assessment
5. Cardiovascular assessment
6. Respiratory assessment
7. Cognitive and perceptual assessment
8. Psychosocial assessment.
