

All vehicles (other than motorcycles) using the University's car parks must have either a valid permit or a paid parking session purchased via a Pay by Plate Parking Meter or CelloPark Pay-As-You-Go (PAYG) parking.

THE UNIVERSITY OFFERS A NUMBER OF WAYS TO PAY FOR PARKING.

PARKING PERMITS (vPERMIT)

vPermit (virtual permit) allows staff and students to purchase their parking permits online, anywhere, anytime using their debit or credit card or salary deduction.

- You can purchase vPermits for RED or WHITE bays but they cannot be used in the Visitors Car Park.
- You can register up to three vehicles on your vPermit.
- You must select the "active" vehicle when parking.

You can purchase your vPermit and get more information from: latrobe.edu.au/transportcentral

CELLOPARK PAY-AS-YOU-GO (PAYG)

CelloPark 'Pay-As-You-Go' parking system, for staff, students and visitors is an easy alternative to Parking Meters. Pay-As-You-Go means you pay only for the time you use.

- You can pay for parking by App, phone or web.
- You can park in WHITE bays on campus using Pay-As-You-Go.
- You can register up to three vehicles on your Pay-As-You-Go account.
- You must select the "active" vehicle when parking and the correct "zone".

For more details visit:

latrobe.edu.au/transportcentral or cellopark.com.au

PAY BY PLATE PARKING METERS

Pay by Plate Parking Meters are a ticketless system with no need to return to your car to affix a paper ticket.

- Enter your registration and select the period of parking time required.
- Pay by cash or credit card (you will receive a confirmation on screen with options to print a receipt).

For details of Parking Meter locations around campus go to: latrobe.edu.au/transportcentral

CARPOOLING

Carpooling is encouraged and special car parking areas have been provided. Once a vPermit has been purchased and the driver and passenger(s) have registered with the Car Pooling Service a special carpool permit can be collected free of charge from the Traffic and Parking Division.

Please note, when using the car pool zones the green car pool permit must be displayed. Permits that are obscured from observation may incur an infringement notice.

For more information go to latrobe.edu.au/transportcentral

POINTS TO REMEMBER

Motorcycles may park in designated parking spaces free of charge.

University Car Parks are covered by the *Provisions of the Road Safety Act 1986*.

The speed limit is 20kph in all car parks.

The University's Parking Attendant and Security Officers are empowered to issue infringement notices to vehicles that fail to comply with the University's parking requirements.

All infringement notices are administered and processed by Darebin City Council. The Infringement Court is used to process outstanding infringement notices.

Never park outside a marked bay.

Except for Reserved Parking the University gives no undertaking that a space will be available in any particular area. The responsibility of finding an authorised parking space rests with the driver.

The car parks closest to the academic areas are the first to fill. If you wish to park in one of these, please make sure that you arrive early.

The University provides a Uni Escort Service

If you are concerned for your personal safety after dark, you may call for a security escort between buildings and car parks.

Contact Uni Escort: **9479 2012** or free call **1800 800 613**
