Class Descriptions

A sports-inspired cardio workout! A high-energy interval training class combining athletic aerobic movements with strength and stabilisation exercises.

Uses barbells and weights to tone and condition muscles while raising metabolic rate for rapid fat-burning. Will sculpt, tone and strengthen your entire body!

Using a variety of boxing equipment/drills this class is designed to increase strength and fitness levels whilst improving general boxing skills.

A fusion of hypnotic Latin rhythms and simple dance moves will ensure you have fun whilst burning calories! No dance experience necessary.

Enjoy total body conditioning during this workout which combines high intensity cardiovascular and weight resistance exercises.

A weights based circuit class designed to condition and develop your strength, mobility and designed to push you to your limits. This dynamic class is suitable for all fitness levels and is guaranteed to bring out your inner athlete!

Re-energise and centre yourself whilst increasing strength and flexibility during this strong and powerful flow blend of yoga traditions.

Improve flexibility, posture and core strength. Class is based on Joseph Pilates' well-renowned principles of stretching and stability.

A fusion of strength, interval and abdominal training guaranteed to get the heart rate up, achieve tone and shape, and challenge the core. A unique and dynamic class, suitable for all fitness levels.

STRONG by Zumba is the first non-dance based class from the fitness brand. The newest of all Zumba classes revolves around high-intensity interval training, but still focuses on moving to the beat. Think of it as boot camp choreography...a bass that puts you in a squatting trance.
