

# Immunisation & Health Record: Dentistry & Oral Health

## About this form

The information collected in this form is used to offer you (the student) a clinical placement. La Trobe University will typically disclose this information to our health placement agencies. If you choose not to provide this information you may not be offered a placement. You may have the right to access the personal information we hold about you, subject to any exemptions in relevant laws, by contacting your Discipline Placement Officer.

La Trobe University respects the privacy of your personal information and complies with the Privacy and Data Protection Act 2014 and the Health Records Act 2001 when handling health information.

## Note on blood-borne viruses

Blood-borne viruses (BBVs) are those viruses that are transmitted from the blood of one person to the blood of another person, particularly: **Hepatitis B Virus (HBV)**, **Hepatitis C Virus (HCV)** & **Human Immunodeficiency Virus (HIV)**.

For all your safety and the safety of clinical staff and patients, you must provide evidence (serology) of your HCV & HIV status for all Dentistry & Oral Health placements.

## Doctor/Registered Nurse instructions

Thank you for your assistance preparing our students for their clinical placement. Please complete all sections of this form as proof of immunisation status for the conditions outlined. Students should be vaccinated in accordance with the recommendation of the current edition of The Australian Immunisation Handbook.

If this form is incomplete upon its submission date, please place a line through any incomplete items and sign the form so that it can be submitted. Evidence for any vaccines

administered after the submission date should be provided as an immunisation record from the practice or clinic where it was received. Serology reports will need to be provided for any testing undertaken after that time.

**Updates or amendments to this form after the signed date can not be accepted.**

**Please also attach all serological reports and immunisation records to the completed form.**
