

Honours Supervisor Application

This form provides guidance to the Honours Coordinator about the applicant's preferences of supervisor for their Honours Thesis.

Prior to submitting this form, *the applicant must contact three potential supervisors* and ask them if they would be interested in potentially supervising their Honours Thesis. While all attempts will be made to accommodate student preferences, the final decision about supervision rests with the Honours Coordinator, in consultation with the relevant staff and Head of School/Discipline.

Once completed, the applicant (student) must attach this form to the application to the course.

Student ID	
Student Name	
Course Code and Name	
Thesis Topic	

Declaration by student

I have spoken with the following academic staff about supervision. By listing them here, I understand that they have agreed to supervise. I also understand that the decision about supervision is taken by the Honours Coordinator in consultation with the relevant staff and Head of School/Discipline.

I wish to be supervised by (in order of preference):

1 st preference supervisor	
2 nd preference	
3 rd preference
